FIRST AID YARDAGES

Symbols

All Tee Yardages are taken from the painted Dot on the Back edge of the indicated Tee in use.

All Yardages to the Green are measured to the
"T"
at Front Professional edge of the Green.

The professional Front is a bisection of the intended playing line. This is normally taken a dot from where play is most common.

Please note: That the professional Front is at the Front of the Green or in level with the Front. Therefore at times the "T" could be in H2O or Greenside Bunker.

All Tee Measurements are in **RED & BLUE**

All Green Measurements are in **BLACK**

Types of On Course Sprinkler Heads

When a Sprinkler Head has 2 or more measurements on the head, the number to the front i.e **115** is always used as the reference point.
